

CHRYSLER

LIMOUSINE

Chrysler Limousine

THE CHRYSLER LIMOUSINE is the ultimate in contemporary high-tech comfort. It also establishes benchmarks for limousine affordability and value. Based on a full 131.3-inch wheelbase, Chrysler Limousine has plush accommodations for seven passengers. Its advanced front-wheel drive design maximizes interior room while providing outstanding maneuverability, improved ride and great stability. Smooth, responsive power is on demand in the form of the proven standard 146-horsepower turbocharged 2.2-liter engine with electronic fuel injection. Chrysler Limousine lets you shut out a strident world with a body built for quiet through robotic welding and special sound insulation. A rare feature for any limousine is the 5/50 Protection Plan that backs Chrysler's Limousine. (See back cover for details.) Chrysler Limousine is packed with luxury details that include fast-action air conditioning, front seat AM stereo*/FM stereo radio, and the rear seat Ultimate Sound System. Experience futuristic automotive luxury for yourself in a Chrysler Limousine soon. The competition is good, we had to be better.

*limited AM stereo reception may be experienced in some areas because some AM stereo broadcasting is not compatible with this vehicle's reception capabilities.

About this catalog. We have tried to make this catalog as complete as possible. And we hope you will find it useful. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.

Some of the equipment shown or described throughout this catalog is available at extra cost.

- Nonventilate door locks (except driver's door)
- Recessed inside door release handles
- Reinforced windshield header and roof
- Safety glass
- Safety-tilt wheels
- Seat belt reminder system
- Side door beams
- Side marker lights and reflectors
- Turn signals with lane-change feature

CHRYSLER CORPORATION'S PROTECTION PLAN

coverage is extended to power train components, including engine, transaxle, axle and turbocharger—plus outer panel rust-through protection—to five years/50,000 miles, whichever comes first. A deductible may be required. Fleet, lease and export vehicles excluded. See your dealer for details.

OPTIONAL 5/50 SERVICE CONTRACT COVERAGE

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified components after your vehicle's basic warranty expires and continues for five years or 50,000 miles (whichever occurs first) from the original warranty start date. A deductible applies.

Allowances for car rental and towing are also included. Ask your dealer for details. Buckle up for safety.

CONSIDER LEASING

In these days of tight money and high interest rates, many consumers are considering leasing as an alternative to buying. Leasing a new Chrysler Limosine usually involves a smaller security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based on authorized information. Although descriptions are believed correct at publication approval, accuracy cannot be guaranteed. Chrysler Corporation reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Corporation for use in your new Chrysler Limosine. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

1986 LIMOUSINE EXTERIOR COLORS

Gunmetal Blue Pearl Coat

Black

Radiant Silver

White

Nightwatch Blue

NOTE: Due to occasional printing irregularities, the colors shown may vary slightly from actual hues. See your Chrysler dealer for accurate color chips.

Clear Coat Finish is standard on every 1986 passenger car built by Chrysler Corporation.

5/50 PROTECTION PLAN

Warranty protection is a matter of confidence. And Chrysler Corporation is so sure of the care and precision that go into each Chrysler Limosine that they offer the Five-Year/50,000-Mile Protection Plan. It spreads for itself. Upon expiration of the normal 12-month/12,000-mile new vehicle

STANDARD SAFETY FEATURES

• Anti-theft trunk lock • Backup lights • Center high-mounted supplemental spotlight • Combination lap/shoulder belts for the driver and right front passenger, lap belts for all forward-facing passengers • Double ball-joint
