

Presenting America's Only
Front-Wheel Drive Convertible

**1982 CHRYSLER LeBARON
CONVERTIBLE**

Mark Cross Edition

THE 1982 LeBARON CONVERTIBLE

MARK CROSS EDITION

Destined to be a classic...
Designed to be opulent...
Built to be enjoyed.

Sleek of line. A performer in every sense of the word. Plush in a way you've not seen before. This is Chrysler LeBaron, the personal luxury convertible that invites the sun and makes the wind yours for the asking!

You'll soon grow accustomed to LeBaron Convertible's many standard features that range from air conditioning and power conveniences, to the little pleasures including a light that tells you when your windshield washer fluid is low.

The LeBaron Convertible Roadster brings front-wheel

drive roadability into your driving and performance into your driving with its 2.6-liter head cam engine and all-trans axle. Your driving is assured through power steering and brakes, tinted glass, an electronically-tuned stereo (with or without, your choice), a built-in stereo cassette tape player.

You will especially appreciate the handsome Mark Cross shown at right, with extensive use of rich leather on seat appointments for luxury comfort and appearance.

Every feature, every comfort
 is carefully planned to
 this Chrysler LeBaron
 convertible Mark Cross Edition
 justly—elegantly—and
 fit yours!

All illustrations and specifications
 are an authorized information.
 If illustrations are believed correct
 without approval, accuracy cannot
 be guaranteed. Some of the equipment
 in product illustrations is optional
 cost. Chrysler Corporation reserves
 the right to make changes from time to
 time without notice or obligation in
 specifications, colors and materials.
 Models are discontinued models. See
 dealer for the latest information.

The Mark Cross leather interior will be included with this early edition two-door roadster. Why another version will also
 be available later in the model year, but without the Mark Cross interior and without many of the standard features.
