

The very lines that minimize wind resistance also give you sleek, up-to-the-minute good looks. Reliant and Aries combine the feel of a European road car with the sensibility of North American style. Classic and yet contemporary. With the Reliant and Aries you can enjoy the benefits of front-wheel-drive, the economy of a small fuel efficient engine and operating savings to you. Top that with the fact that Reliant and Aries operate on REGULAR GAS—another few dollars in your pocket, week after week.
