

1987 CHRYSLER

# LE BARON

# CHRYSLER LeBARON.

Chrysler continues to be on the leading edge of the new automotive technology with cars such as the LeBaron series. The 1987 Chrysler LeBaron four-door sedan and Town & Country Station Wagon are the latest refinements of this leadership. Contemporary. Comfortable and quiet. With all the front-wheel drive technology Chrysler has pioneered. And built with quality backed by the famed 5/50 Limited Warranty (see page 11 for details). Drive a 1987 Chrysler LeBaron and you'll understand very well how Chrysler is driving to be the best.

*About this catalog. We have tried to make this catalog as complete as possible. However, since the time of printing, some of the information you'll find here may have been updated. Your dealer has details, and you should ask him for current information before ordering.*

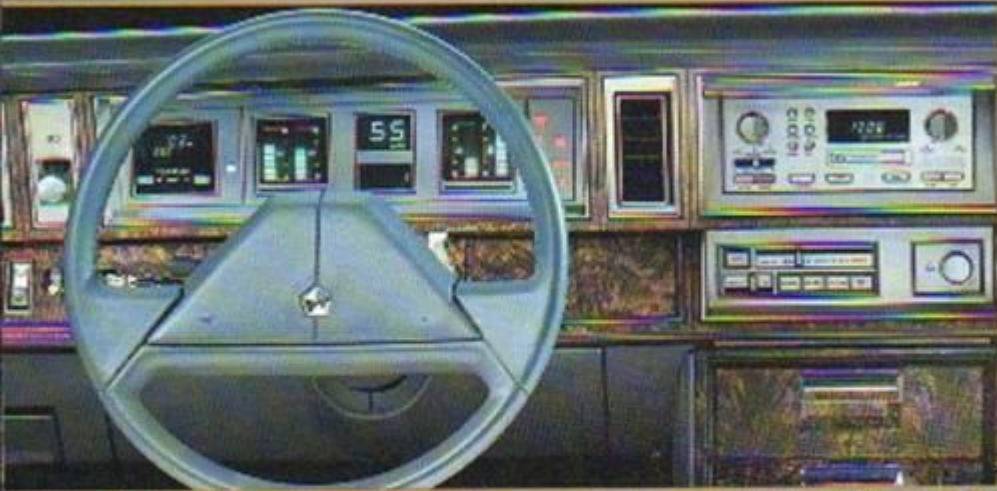

Some of the information in this catalog is preliminary and subject to change without notice. © 1986 Chrysler Corporation.

Lincoln Continental. The only car that can take you from the city to the country and back again. Now available in a new color.

Chrysler LeBaron four-door sedan. The definitive traditionally styled family sedan. The front-wheel drive technology that provides outstanding stability and control also provides outstanding room. And the roominess goes hand-in-hand with luxury, comfort and extreme quiet. LeBaron is powered by Chrysler's proven, durable, easy-to-service 2.2-liter EFI engine. Options include the 2.5-liter EFI and 2.2-liter EFI turbo-charged engines. All are quick starting, smooth running and efficient. LeBaron owners will make no apologies for looks either, with LeBaron four doors often-imitated but never-equaled clean, formal styling.

Chrysler LeBaron four-door sedan optional interior cloth with vinyl high-back front bucket seats, shown in Twilight Blue.

Chrysler LeBaron four-door sedan. Available in Flourescent White or Clear Coat.

**T**he 1987 Chrysler Town & Country Station Wagon continues to be a successful combination of traditional station wagon features, Chrysler's advanced front-wheel drive technology, and Chrysler quality backed by the 5/50 Limited

Warranty (see page 11 for details). Refinements for 1987 include a standard long-life stainless steel exhaust system, standard electronic instrument cluster and a new available electronic speed control for easier use during highway

*Chrysler Town & Country Station Wagon optional Corinthian leather with vinyl interior, shown in Almond Cream, is available in the Mark Cross Package only.*

## TANDARD AND OPTIONAL FEATURES

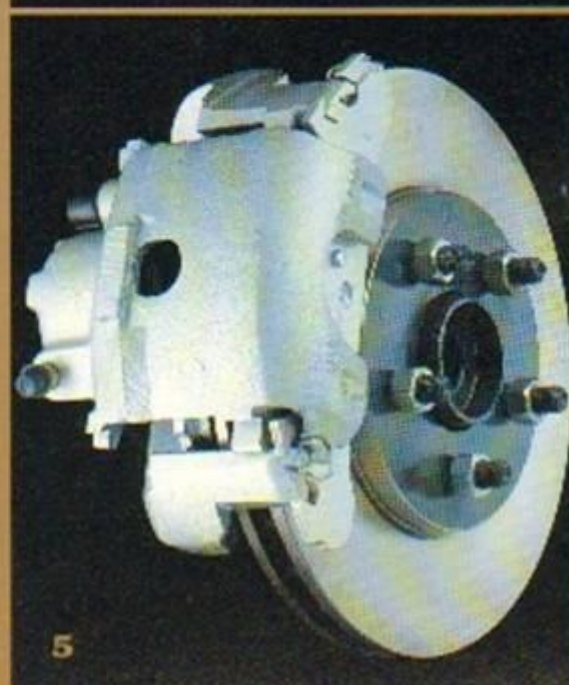

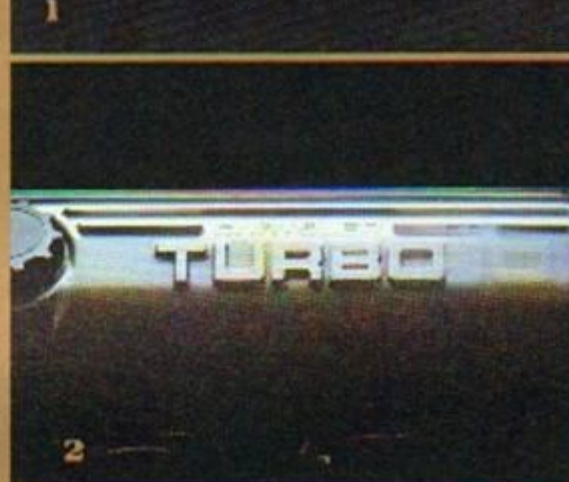

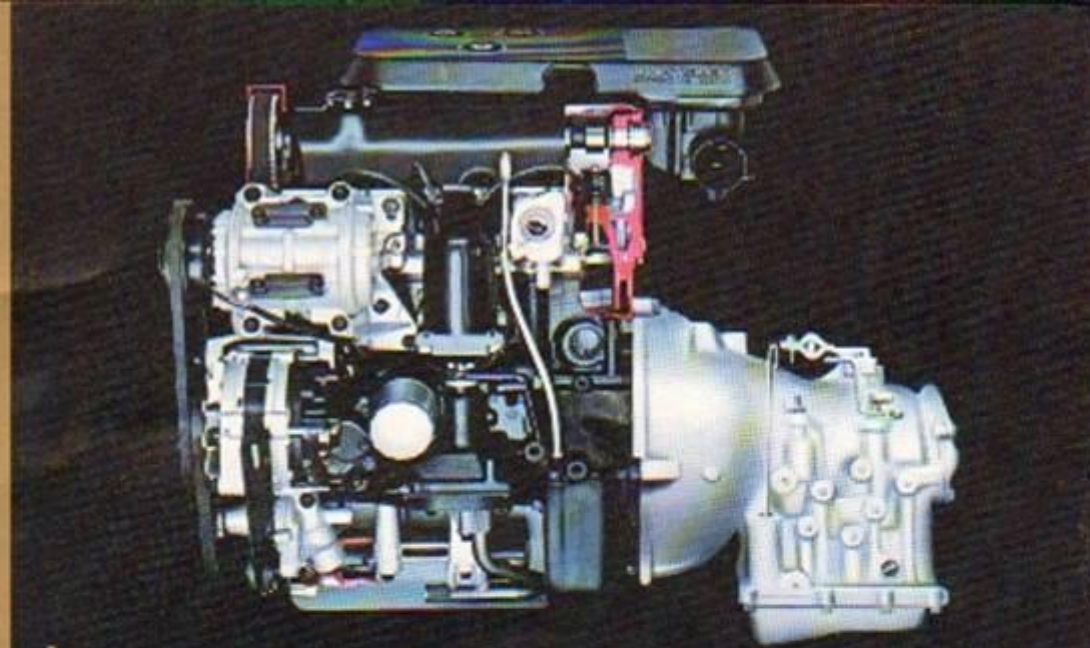

The 1987 Chrysler LeBaron four-door sedan and Town & Country Station Wagon have a host of standard features and comfort and convenience options that make driving them or riding in them consistently pleasant experiences. **1.** The optional 2.5-liter EFI balance-shaft engine (standard on Town & Country Station Wagon) offers increased low-end torque and exceptionally smooth performance in all speed ranges. All Chrysler-built engines are designed to be durable, efficient and easy to service. **2.** The optional 2.2-liter multipoint EFI turbocharged engine has 146-horsepower for outstanding performance. **3.** Standard gas-charged dual-path front Iso-Struts and coil springs split road shock loads to subdue them more effectively for a quieter, smoother ride. **4.** Power-assisted rack-and-pinion steering for smooth, precise control is standard. **5.** The standard power-assisted front vented disc/rear self-adjusting drum brake system is split diagonally to provide dependable stopping power. **6.** All 1987 Chrysler LeBarons are built with extensive corrosion-resistant provisions including a seven-step dip-and-spray process.

Options that extend the pleasures of LeBaron four-door sedan and Town & Country Station Wagon include the popular items shown here. **7.** Included only in the Luxury Equipment Discount Package, driver and passenger visor/vanity mirrors make personal care convenient. **8.** The power driver's seat offers quick, safe fingertip adjustment. **9.** The new electronic speed control provides accurate fingertip control of highway cruising for increased fuel efficiency by enabling you to drive at a constant speed. It is mounted in the multifunction control lever on the steering column. **10.** The tilt steering column, available only in the Deluxe Convenience Package, allows the driver to select one of six steering wheel positions for increased comfort. **11.** The electric rear window defroster, available only in some option packages, provides quick, convenient removal of frost or moisture. **12.** The LeBaron offers two wheel cover choices: the standard premium wheel covers, or the optional wire wheel covers. **13.** The optional air conditioning is integrated into the bi-level ventilation to increase air circulation and help reduce cold spots.\* **14.** The AM stereo<sup>†</sup>/FM stereo radio with electronic tuning, integral digital clock and four speakers is standard. **15.** A premium AM stereo<sup>†</sup>/FM stereo radio with electronic tuning, integral digital clock, cassette tape player with automatic reverse, Dynamic Noise Reduction<sup>‡</sup> and six speakers is optional.

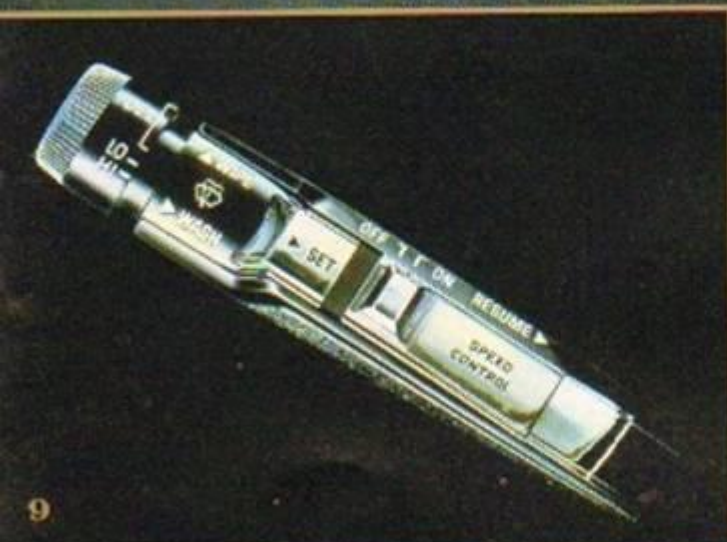

\*There are special engine cooling requirements for field-installed air conditioning. Failure to follow these requirements may invalidate warranty. See your dealer for details.

<sup>†</sup>Some AM stereo broadcasting may not be compatible with this radio.

<sup>‡</sup>Dynamic Noise Reduction is a trademark of the National Semiconductor Corporation.

- Backup lights
- Brake fluid pressure loss warning light (also serves as indicator when parking brake is applied)
- Center high mounted supplemental stoplight
- Combination lap/shoulder belts for the driver and right front passenger; lap belts for all other passengers
- Double ball joint rearview mirror mount
- Dual braking system with separate brake fluid reservoirs in the master cylinder
- Dual throttle return springs
- Electric windshield wipers and wipers
- Electronic ignition
- Energy-absorbing front seatbacks
- Energy-absorbing steering wheel
- Energy-absorbing sun visors
- Floor-resistant turn-vented disc brakes
- Front seat head restraints
- Glare reduction measures for instrument panel, steering wheel, and windshield wipers
- Hazard warning flasher system
- Headlight and wiper circuit breakers with automatic reset
- Impact-activated fuel supply shutoff relay
- Inside and outside rearview mirrors
- Interlocking door latches
- Key left in ignition warning
- Nonoverride door locks (except drivers door)
- recessed inside door release handles
- Reinforced windshield header and roof
- Resilient window crank knobs
- Rotary glove box latch
- Safety glass
- Safety-Rim wheels
- Seat belt reminder system
- Sealback latches on folding rear seats
- Side door beams
- Side marker lights and reflectors
- Turn signals with lane change feature

## OPTIONAL SERVICE CONTRACT

Chrysler Service Contracts provide you with additional peace of mind protection for your new vehicle. Coverage starts on the specified major components after your vehicle's basic 12-month or 12,000-mile limited warranty expires and continues for five years or 50,000 miles from the original warranty start date. A deductible applies. Allowances for car rental and towing are also included. See copy at your dealer.

## CONSIDER LEASING

In these days of fluctuating interest rates, more consumers are considering leasing as an alternative to buying. Leasing a new Chrysler LeBaron usually involves a small security deposit and a first month's lease payment. Monthly payments are usually less than financing a new car purchase. Ask your dealer for details.

All product illustrations and specifications are based upon current information at the time of publication approval. Although descriptions are believed correct, accuracy cannot be guaranteed. Chrysler Motors reserves the right to make changes from time to time, without notice or obligation, in prices, specifications, colors and materials, and to change or discontinue models. See your dealer for the latest information.

MOPAR parts are engineered by Chrysler Motors for use in your new Chrysler LeBaron. When replacement is necessary, be sure to specify MOPAR parts. Used by professional mechanics all over the world.

## 5/50 LIMITED WARRANTY

Upon expiration of the basic 12-month or 12,000-mile new vehicle limited warranty, limited warranty coverage is extended on power train components to five years or

50,000 miles (two years or 24,000 miles for fleet and lease vehicles), plus outer panel rust-through protection of five years or 50,000 miles. A deductible may be required. Excess vehicles excluded. See copy at your dealer.

Buckle Up  
For  
Safety.

"AT CHRYSLER, WE'RE WORKING TOGETHER TO BE THE BEST.  
THAT'S WHAT AMERICA IS ALL ABOUT."

*Lee A. Iacocca*
